Why there's a Blind Specialist

In 1995 I started this business after a hard time in my life. My divorce left me with two children and no income.

I began by cleaning and repairing blinds. Then I became an agent for top manufacturers and started selling custom-made new blinds.

The business is built on honesty, exceptional service and unbeatable prices, and it truly took off when we launched our website. We are a family enterprise.

STRAIGHT ANSWER

Why am I cheaper?

Four reasons, no mystery. I keep my costs low and pass it on to you.

1 **You measure, you save**
Take your own measurements and you can have an extra 10% discount, as a reward for the effort.

2 **No big showroom rent**
I don't pay for a physical showroom, so you don't pay for one. Visits are by appointment only.

3 **Call-out fees when I measure**
If you'd like me to take the measurements, there's a call-out fee from R300, refunded when you place your order.

4 **Do it all from home**
Complete your whole order by email or WhatsApp, from your home or office. It saves you money and the trip.
