How an order works

The whole transaction can happen by email or WhatsApp.

1
Choose
Pick the type and colour from the range. Samples on request.

2
Measure
Follow the measuring guide yourself, or ask us to measure.

3
Quote
Send your details by the form, WhatsApp or email. We send a free quote.

4
Order
Once you accept, an official order. After the deposit, a measurer checks your measurements in the Durban area.

Measuring in brief

- **Inside mount:** needs at least 60mm depth in the sill (90mm for vertical blinds). Measure width and height three times and note the smallest; we subtract 10mm for clearance.
- **Outside mount:** add at least 50mm to each side, top and bottom (100mm for vertical blinds).
- **Tiles or granite** at the sill edge: cut-outs cost extra AMOUNT NOT PUBLISHED

Guarantee & returns

- **3-year carry-in guarantee.** Found a factory fault? Send us a photo. We tell you whether it goes to the factory or a technician can fix it on site (within 50km of our offices). Factory repairs are carried in to our offices.
- All blinds undergo a double quality check.
- Because every blind is custom-made, we don't accept returns.

Since 1995

A family business, built on honesty, exceptional service and unbeatable prices.

It began in 1995 with cleaning and repairing blinds, then became an agent for top manufacturers, selling custom-made new blinds.

As authorised agents for multiple manufacturers in South Africa, we deliver blinds directly from the factory to any location in the country. All blinds sold fall under the manufacturers' full guarantees, administered by Blind Specialist.

Customers shown on our Happy Customers page include University of Zululand and Air Products Pinetown.

1 **You measure, you save**
An extra 10% discount for self-measuring.

2 **No showroom rent**
Our showroom is exclusively online, so we avoid high rent.

3 **Call-out fees for measuring**
To minimise our expenses; refunded when you order.

4 **Everything by email or WhatsApp**
Saves you money and the trip.
